Dear Sir,

With reference to your letter on the above subject, it is for your information that as per sub-clause "a" of clause "1" of Licence Agreement executed in 1958 between P.E.C.H.S. and Govt. of Pakistan, no road or street shall be less than 40 ft. wide if it is for vehicular traffic and it shall not be less than 28 ft. if it is for pedestrian traffic. 20 ft. wide space on back of the plots is for amenities/services.

As such, in view of the above, the said space cannot be termed as street or a road but in fact these are lanes are amenities/services.

Yours faithfully,
