

ATTENTION RESIDENTS OF P.E.C.H.S.

As you are all aware, over a period of time the entire P.E.C.H.S. area has been completely ruined by **illegal commercialisation** and the **encroachments** that have followed. It seems the encroachments have reached their zenith, which we all suffer in the form of acute traffic congestion every morning and evening on Khalid Bin Waleed Road, Shahrah-e-Quaideen, Tariq Road and numerous other roads; and even our bye-lanes are used by minibuses.

It is about time that we residents stood up together as a united front against these car show room owners, property developers, flat site builders and encroachers who are all ruining our area. We at **SHEHRI – CBE (Citizens For A Better Environment)** have a large membership of P.E.C.H.S. residents, some of whom have got together and filed a writ in the high court against the Daewoo Showroom on Sir Syed Road.

For your information, Khalid Bin Waleed Road, Sir Syed Road and certain portions of Allama Iqbal Road have not been declared commercial. It is illegal and in contravention of the lease. If we do not act now our beautiful area, the oldest society fully developed with all amenities, will be gone forever. Not all of us can sell or move out and neither do we want to, so if you feel you can contribute in any way to change the present situation, **call SHEHRI – CBE** on the following phone numbers: 441769 and 442578.

SHEHRI: CBE, 206-G, Block-2, P.E.C.H.S., Karachi-75400, Pakistan.
